

Equally Blessed

The 7th Annual Bath Area Churches United Against Hunger Progressive Dinner was held on April 16, 2011. The cold, rainy weather only enhanced the delicious, hot lasagna dinner that was served to over 150 people. A sell-out of our main course prompted the planning team to prepare for a 20% increase next year. Net proceeds of \$1578.63 were donated to the Bath Community Food Pantry at Turning Point.

Many thanks to our six participating churches: Bath Baptist, The Church of Jesus Christ of Latter Day Saints, Centenary UMC, First Presbyterian, St. Thomas Episcopal, and St. Mary's Catholic Church. They provided publicity, donations for ingredients, food, volunteers, and a representative to participate in the planning of the event. The success of the dinner can be measured not only by tickets sold, but by the energetic environment that the churches created by serving together. From that spirit, proceeds were generously donated to families in need in our community.

Welcoming Kinship to the Catholic Charities Steuben Family

Catholic Charities is pleased to announce the integration of Kinship Family and Youth Services as a new division of programs, effective January 1, 2011. Kinship has a long standing history, being formed in 1968 as a boys home in Perkinsville, NY. In 2000, Kinship became an affiliate of Catholic Charities in the Diocese of Rochester as a specialty office. In early 2010, after a 40 year tenure, the Executive Director of Kinship - Joseph Weider, announced his plans to retire in January 2011. It was then that a plan was set in motion to integrate the two agencies.

Kinship's programs serve a large area across the Southern Tier, including Chemung, Allegany, Steuben, and Yates Counties. Services include a variety of child based programs including Therapeutic Foster Care, Supportive Home and Parent Enrichment (SHAPE), and Healthy Families. In addition, Kinship has a Chemical Dependency program that operates both a residence and apartment program supporting individuals in their recovery. Each newsletter will now include a portion called "Kinship Corner" - this month's spot light is on Healthy Families.

As part of the integration process, an Associate Executive Director search was completed last Fall, and Melody Johnson was hired to supervise the Kinship Programs. Melody brings 15+ years of experience in the supervision of human service programs. She is also an adjunct professor at Finger Lakes Community College, and has created a 6-week nationally accredited training program for Direct Support Professionals. Melody lives in Farmington, NY with her family. We are pleased to welcome her to our team!

*Melody Johnson,
Associate Executive Director*

The Kinship services are a complimentary addition to our current services and we continue to find synergistic opportunities daily. As we move forward in 2011, we are excited about the many opportunities that are ahead of us.

Kinship Corner News and Notes from Kinship

Introducing Healthy Families Steuben

Healthy Families Steuben is part of a statewide initiative, the Healthy Families New York Home Visiting Program, through the New York State Office of Children and Family Services. It is a voluntary program that offers support and education to any expectant and new parents in Steuben County. Families are offered long term home visiting services from Healthy Families Steuben until the child enters school. Healthy Families Steuben is a credentialed site of a nationwide movement entitled Healthy Families America

The staff celebrating the 50,000 home visit milestone in 2010

initiated by Prevent Child Abuse America. The program is provided locally by Kinship Family and Youth Services and the Institute for Human Services. The main goals of the program are to promote positive parenting skills and parent-child interaction, ensure optimal prenatal care and child health, enhance child development, and improve families' support systems.

Healthy Families began serving families in the Addison School District in 1995 with a staff of five. Within a few years, the program expanded to cover all of Steuben County. Today, the program has a staff of fifteen and serves families throughout the county through offices in Hornell, Bath, and Addison. We are generally working with 180 families at any given time and serve about 280 over the course of a year.

Pinwheels for Prevention

April is National Child Abuse Prevention month. The staff of Kinship Family and Youth Services were on hand at three locations in Steuben, Yates, and Allegany counties to distribute "Pinwheels for Prevention". The pinwheels are part of a campaign to raise awareness on how individuals can make a positive impact on the lives of children. raise awareness and educate individuals about child abuse.

Prevention Services Program Beat

Bath Hope aids the Campbell-Savona Prom Promise

The students of Campbell-Savona are going to have an even greater chance at a safe prom this year. Bath Area Hope for Youth recently applied for money from the Community Foundation of Elmira-Corning and the Finger Lakes, Inc. in Elmira to provide funding for their annual Prom Promise events. Sherry Sutton, Bath Hope Prevention Counselor for the Campbell-Savona District, applied for this grant on behalf of the district. The Community Foundation has provided \$500 to help the students in their planning activities and outreach efforts on the importance of promising to make their prom and after-prom safe for everyone by not consuming alcohol.

Sherry Sutton presents the after-prom committee members with a check from the Community Foundation.
