

2019 Bath Community Day Care Sliding Scale

Instructions: (Follow these instructions for each child you wish to enroll.)

- 1) Go to Section A.
- 2) In the first column find the number of people in your family/household.
- 3) In the next column enter your family's/household's total adjusted gross income as last reported to the IRS.
- 4) Move to the right, column by column, until you find the first amount (in that row) that is more than your family's/household's total adjusted gross income.
- 5) That column heading will identify what level of payment is assigned to your family/household.
- 6) Go to the appropriate section (B,C or D) based on the type of schedule you require.
- 7) Go across to the matching level number you identified above.
- 8) The amount listed below that level will be the base amount you will be required to pay.
